Picnic table DeLuxe

Product code: PS.DL

What is meant by a picnic set?
A table with often two benches attached to it, one bench on either side, is called a picnic set. HeBlad is a leader in the range of picnic sets, in various colours, designs and sizes. The base of these designs is always concrete, resistant to all weather influences and vandalism.
Concrete Picnic Set DeLuxe
This picnic set is made from one piece of sturdy, natural concrete. For extra seating comfort, the concrete picnic set is equipped with 4 cm thick bamboo planks as a seating area. Just like the concrete, the bamboo is also weather-resistant. This means that the DeLuxe picnic set can be left outside for a lifetime. Because of the way the bamboo seats are mounted, they are not easy to remove from the picnic set. Not vandalism friendly, a feast for the eyes and a wonderful place to sit.

Where are concrete picnic sets located?

Because HeBlad products are specifically designed and made for outdoor use, this picnic set can often be found at locations such as schoolyards, parks, campsites, rest areas in nature and sports fields. Because of their beautiful appearance, the concrete picnic sets are also a perfect addition to your own garden or business park. Chic and practical come together in the DeLuxe picnic set.

The base plate for the DeLuxe picnic set

The weight of the DeLuxe picnic set is no less than 720 kg. Because of this, we've

drafted the necessary requirements for installing the set, included in the terms of delivery. The laying surface is also important. When the DeLuxe concrete picnic set is placed on a softer surface, we recommend using a base plate on which the picnic set is placed. This base plate is optional. If you have any doubts about the use of a base plate, please contact us. We will work with you to find the best solution.

Expansion of the DeLuxe picnic set

Thanks to the chic but natural appearance of the DeLuxe picnic set, the set can be combined very well with the concrete benches from HeBlad. Please feel free to contact us for more information about our products, delivery conditions or advice about locations and placements.
