

Picnic table DeLuxe Anthracite-Concrete

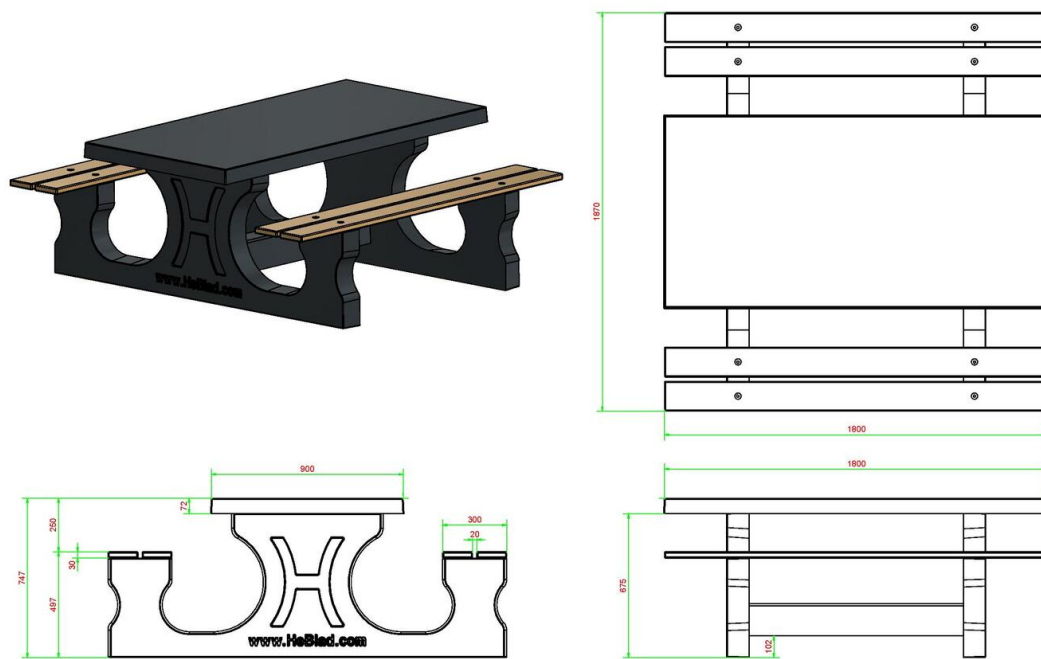

Product code: PS.DL.AB

Table is suitable for 4 adults. Ideal for public space. Because of the weight, the table stays in place for years.

The seats are made from very durable pressed bamboo.

The entire set is made of colored concrete. This means that the anthracite color is not created by painting, but the concrete is also colored anthracite inside.

Thanks to this method of colors, the concrete look of a concrete table has been retained.
