

Picnic set Compact Anthracite-Concrete 2 persons

Product code: PS.C.AB2

This concrete set consists of a bottom plate with a blank tabletop and two seats. A very nice looking picnic table, suitable for any place where you want entertainment for both young and old. The bottom plate is exactly the size of 10 paving stones of 30x30 cm. When removing these tiles, the bottom plate of the game table will fit exactly in that space. The preliminary work must have been done before delivery. If the location can be reached with our truck, we will put the game table directly at the designated location.

Like all other tables and benches from HeBlad, the table is completely poured in one piece of high-quality concrete
