Ludo Game Table Anthracite-Concrete (4P)

Product code: GT.LD.AB4

What a beauty, this anthracite concrete ludo table. The square game table top in combination with the round leg and round seats makes the design unique. The integrated game board has bright ludo colours, making the table a real eye-catcher on your schoolyard, in the park, in the garden or on your camping site. The four stools are perfectly adjusted to the table height, have the ideal seat height and the perfect distance to the game. This well-coordinated height also makes the anthracite concrete ludo table very suitable as a regular garden table.

No need to worry about the anthracite concrete ludo table

Due to the robust and incredibly sturdy concrete from which the stools and table are made, you never have to worry about wear and tear on the anthracite concrete ludo table. Weather-resistant, easy to maintain and impervious to vandalism. The game board consists of natural stone and is incorporated into the concrete of the table top. The pawn set with dice that you receive for free from HeBlad is also made of high-quality material. If you accidentally lose them, you can simply order a new or extra set.

An infinity of gaming tables from HeBlad

In addition to the anthracite concrete ludo table, HeBlad also has the natural concrete ludo table variant. In terms of colour, this is the lighter version of the anthracite concrete table. Several ludo tables can also be placed together, in the same or different colours.
By combining different gaming tables you broaden the gaming options for your visitors. For the athletes, foot volleyball is a fitting challenge and the familiar ping
