Foot Volleyball Table Natural Concrete

Product code: VV.NT

You can play all kinds of games with a concrete foot volleyball table. Often a football is used and a game such as table tennis is played. The table is curved and has a raised edge in the middle, like a net on a table tennis table. Our foot volleyball tables are of high quality and cast from one piece of concrete. It is ideal in the garden, on the square, at the sports club or in the park, because everyone can play a game on it. Naturally, they are resistant to all weather conditions and are strong enough to be used for many years. This foot volleyball table is made of Natural Concrete, but also available in Anthracite Concrete, and other colours.

The specifications of the concrete foot volleyball table
Our foot volleyball tables are made to last. This can be seen from the specifications:

- Cast from one piece of concrete for optimal strength.
- Resistant to all weather influences.
- Made in natural concrete, but anthracite concrete and other colours are also available.
- Dimensions 274 x 152 x 8.4 centimeters.
- Ideal for playing the latest craze of football volleyball.

For fun and better technique
Our concrete foot volleyball table can be used in all kinds of situations. Because it is large and requires space to play, the best place is outside. You can place this table in your own garden, but also in public places such as squares, at schools, in

the park, at the sports club or in the playground. It is an excellent way to improve technique with the ball, so if you have a football club you can kill two birds with one stone. Players can improve their ball control and enjoy a versatile game.

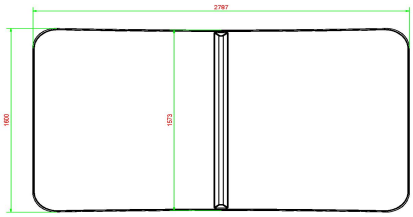

Delivered quickly
If you decide to purchase one of our foot volleyball tables, the delivery time is an average of six weeks to the UK. This means that you can soon benefit from all the advantages of our concrete foot volleyball table. Why not start with a game of foot volleyball? The players must pass a football through one bounce on the table, similar to the way the ball is passed in table tennis. Only they don't use a bat for this, but any body part apart from the hands.

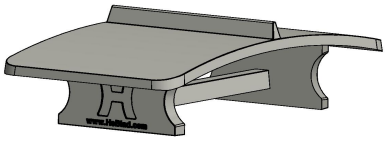

When ordering one of our products, please advise our terms and conditions for delivery. In case you have any further questions, please don't hesitate to contact us. Our professionals will happily answer any questions you may have.

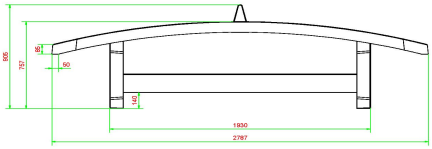

**When you purchase a HeBlad foot volleyball table, a football is included for free.

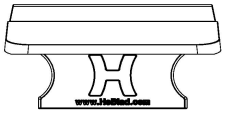

We recommend placing the foot volleyball table in an obstacle-free space of 10 x 8 meters.
Agile football players often need a smaller free space.
