Multi Gaming table (1-1-1) Standard Anthracite-concrete

Product code: PS.STAB.GT.111

This beautiful games table has multiple functions. In addition to being a wonderful picnic set that can easily seat six people, three couples can play a game of chess at the table. If a full chess table doesn't suit your tastes, you can choose which game boards you want in your games table. View our range of Multi-Games Tables for other variants with different games.

What do the numbers in the Multi-Games Table mean?
What does Multi 1-1-1 mean? Multi refers to multiple games, in the case of this games table it means three chess games. The number 1 stands for chess.
Meaning of the numbers:
1- Chess game
2- Checkers game
3- Ludo game
4- Backgammon

You can also choose to have other games placed in this table as desired. You can decide the order of the games yourself. We cast the game boards into the table top ourselves, so that you do not have to worry about raised edges on the table and are ensured that the boards remain securely in place (against vandalism or theft). If you wish to change the order of the games in your chosen Multi-Game Table, please always contact us first.

Multi-Games table accessories
Is the games table supplied with chess pieces? All games tables at HeBlad are supplied with matching accessories such as pawns, checkers, chess pieces or chips as standard. You can also order the accessories separately if something is

lost or broken.

Picnic set
Without the game pieces nearby, the table can be used as a picnic set. Would you rather not have games integrated into the table top? Then make your choice from our range of picnic sets. You are then opting for sturdiness, comfort and elegance. The picnic sets are available in various colours, shapes and sizes. We even make wheelchair-accessible picnic sets.

Concrete game tables, picnic sets and benches from HeBlad
Most people know us from the popular ping-pong table. HeBlad products are known for their long lifespan. Thanks to the solid concrete and robust construction, you are always assured of years of sitting and playing pleasure. Our products are also easy to combine. The concrete benches from HeBlad are perfect to place with the other gaming tables from HeBlad. They are practical, look good on your terrain and offer security. The benches can be used very well as a separation, but also as protection against ram raids.
