

Concrete bench DeLuxe with backrest Anthracite

Product code: BB.DLA.ML

This bench is equipped with high quality bamboo planks for the seats and the backrest. This bench is sprayed in anthracite.

We sell this bench without backrest and without bottom plate only with a safety warning. The backrest of this bench needs to be placed against a wall in order to avoid the bench to be turned over. Another possibility is to place two benches with their backrests back to back.

In case you want to place a single bench with backrest in e.g. a park, then we advise you to take a bench with bottom plate, which is almost impossible to turn over.
