# Picnic table Standard Oval Natural Concrete

Product code: PS.ST.OV

With our oval picnic set you always have a place to sit. You can enjoy a snack or a drink, or just have a chat or enjoy the surroundings. This picnic set is a real eye-catcher because of its design and because it is made from one piece and has beautiful oval and round shapes. Once in place, this table cannot be moved and you can be sure that you will enjoy using it for many years to come. The picnic set can be supplied with or without a base plate and is available in three colours: natural concrete, anthracite-concrete and anthracite.

Ideal concrete picnic set

This picnic set is a real asset to public spaces. It is an ideal choice in places where there is no supervision. Due to its weight and the fact that the set cannot be dismantled, it is a perfect solution if you want to create a seating area somewhere where supervision is not always possible. You can think of a square, at school, in the park, on a terrace or next to your snack bar. Once this table is in place, you don't have to worry about theft or storms, because it cannot be blown over or taken away.

The different picnic sets

The oval picnic set is made from one piece of cast concrete and is available in a natural concrete colour, a dark gray concrete colour and anthracite. You can order a base plate so that it is stable. If opt for no base plate, the appearance of the table is even more organic and friendly. It is a beautiful table to place in a space with a beautiful view. Because the entire picnic set is so beautifully designed, it is a real asset to any environment.

Quality as you have come to expect from us

All our tables are made from one piece and this picnic set is no exception. The tabletop is 7 cm thick, the table weighs almost a thousand kilos and the tabletop is more than 2 meters long. With our oval picnic set you can also count on the high quality you have come to expect from us.

Do you have any questions? Please feel free to contact us!

* The base plate is optional
